Publiduplo offers a 5 year warranty against material and manufacturing defects, effective from the date of issue of the invoice.

Once it has been established that a defect covered by this warranty exists, Publiduplo will replace the defective product.

The decision to replace the product is at Publiduplo's sole discretion and covers only the replacement of the product.

Publiduplo shall never be liable for any additional costs such as the possible removal of the product, labour or machinery, transport, and any and all operations associated with its installation.

The replacement of the product shall never entail an extension of the warranty, which is always limited to 5 years from the date of issue of the invoice.

This warranty does not apply in the following cases:

- accident, mishandling, abuse, misuse or force majeure;
- uneven, glazed or unsuitable substrates;
- extreme temperatures and/or humidity;

- repairs or mixing with unauthorised products;
- installation that differs from the recommended method.

This is a limited warranty, and some countries do not permit the exclusion or limitation of warranties, which may mean that these limitations do not apply to you.

Except as stated herein, no other warranties are made.

Publiduplo's liability shall be limited to the defective material and it accepts no liability for direct or indirect, incidental, consequential or loss of profit damages.
